

ADVERSE WEATHER FORCES CANCELLATION OF MORNING COLLECTIVE TEST AT SPA FRANCORCHAMPS

📅 24/05/2024 ⌚ 10:37

Due to adverse weather conditions, the track at Spa Francorchamps, the venue for the second round of the Formula Regional European Championship by Alpine, has been deemed unsafe to hold the first collective test session scheduled for this morning, which has been canceled. The first collective test had already faced delays due to an earlier incident, and combined with the heavy rain, it led to the decision to cancel the session. Efforts are underway to try and reschedule the test.
